LOCALLY SOURCED GEMS

Ontario's wine regions boast many boutique wineries offering award winning hand crafted wines expressing the region's terroir. Being of "cold climate", the grapes ripen and accumulate their flavour slowly. Ontario VQA wines tend to be complex and balanced, with higher acidity and more mineral flavours - making them the most food-friendly wines in the world."

WHITES

PRINCE EDWARD COUNTY

2014, Three Dog White, Three Dog Winery #701 | 40

This lovely Vidal/Riesling blend has a floral, clear, crisp and refreshing taste with nice minerality and hints of orange blossom.

2015, Unoaked Chardonnay, Hungry Point, Rosehall Run #702 | 50

Delicious un oaked Chard with a nose of peach, apple and guava fruit with underlying mineral notes. Perfectly balanced and refreshing through the finish.

2014, Chenin Blanc, By Chadsey Cairns #703 | 65

A Chenin that is consistently refreshing with a distinct salty minerality and crisp lemon finish. Some people say it smells like the ocean (mingled with pear), not surprising since it's grown in our ancient beach soils.

2006 Riesling Icewine (375 ml), Lakeview Cellars #704 | 80 (limited supply)

Tropical and citrus aromas and flavours that offer an elegance that is defined by its natural high acidity.

NIAGARA ESCARPMENT

2014, Riesling Dolomite, Cave Spring # 705 | 45

This wine is named for layers of dolomitic limestone unique to the Niagara Escarpment. This Riesling bears the mark of its origins. The calcareous clays of these sites contribute to the intense aromatics and mineral textures that are its signature.

NIAGARA ON THE LAKE

2013, Gewurztraminer, Cattail Creek Estate #707 | 50

Heady aromas of oranges, lemon oil, lychees, peaches and roses in full bloom. The residual sweetness rounds out the palate making this wine as flavourful as it is aromatic. The citrus notes come to the forefront supported by roses and orange blossom in the finish.

REDS

PRINCE EDWARD COUNTY

2014 Dog House Red, Three Dog Winery # 201 | 45

Deep red with balanced acidity and intense fruit flavours of sweet plum, black cherry with hints of vanilla mixed with dark berry fruit aromas.

2014 Baco Noir, Sandbanks Winery #202 | 40

A full bodied wine with intense plum & wild cherry flavours. Notes of toasted oak provide a lingering finish.

NIAGARA ESCARPMENT

2014 Small Lot Gamay, Malivoire Wine #203 | 50

Bright, fruity aromas of cherry compote, blueberry and rhubarb, spiced by caramel, cedar and mint. The texture in the mouth is bright and supple with a berry patch of flavours including cherry, loganberry, cranberry and red currant with a suspicion of white pepper on the finish.

2013 Unfiltered Niagara Pinot Noir, Norman Hardie #204 | 90

Norman Hardie is one of the masters of Ontario Pinot Noir. His Niagara Pinot is made in a big and rich style with vivid fruit and tremendous structure. A great accompaniment to red sauce pastas, grilled steaks and meatier fish such as salmon.

2013 Cabernet Franc, Southbrook Vineyards #205 | 45

Outstanding Organic Wine - "Juicy with chocolate notes from oak aging and fleshy black sweet plums. Supple, smooth and almost full-bodied"
- Natalie Maclean, NatalieMaclean.com.

NIAGARA ON THE LAKE

2013, Sand & Gravel Red Coat Blend, Ravine Vineyard Estate Winery #206 | 50

Redcoat blend (Merlot, Cabernet Franc, Cabernet Sauvignon) is a beautiful ruby garnet colour. Enjoy aromas of black currants, dark chocolate with a long red berry finish.

ROSÉ

2015 Ladybug Rosé, Malivoire Wine Company | 40

A treat for the nose: maraschino cherry, strawberry syrup, banana and a delicate herbaceousness. The texture is refreshingly tangy and fruity, and flavours of raspberry, strawberry, peach and green apple abound.
